28<sup>th</sup> June 2010

Dear Ice Hockey Players;

On behalf of the Malaysia Ice Hockey Federation we would like to extend our most gracious invitation to the “**2010 Malaysia International Ice Hockey Tournament**” to take place from Sept 22 – 25, 2010 at Sunway Pyramid Ice in Kuala Lumpur, Malaysia.

The tournament was a resounding success in 2009 with three divisions of Youth, Asian and International. In all, 17 teams from six countries competed for regional Ice Hockey supremacy. The unique format was a new experience for the fans and players alike.

We hope that 2010 will prove to be an even better event, with the warm hospitality of Malaysia shining through and efficient courteous service for our guests to Malaysia.

For those not familiar with the tournament, it is hosted at Sunway Pyramid Ice; part of the integrated Sunway Resort which encompasses two hotels, a theme park, a large shopping mall, hospital, university, countless restaurants and other nightlife establishments. The proximity of such facilities will ensure a varied and fulfilling experience at the tournament.

All proceeds from the tournament will go toward youth ice hockey development and to worthy charities in Malaysia. The Malaysia Ice Hockey Federation firmly believes that sport is a vehicle to make a difference in people’s lives, and we hope through your assistance and participation that this will be achieved.

Please see the attachment for information about tournament fees and the registration form. Deadline for registration is Aug 31, 2010.

We look forward to seeing you in Malaysia.

Yours in Hockey,

Dato Lee Hwa Beng  
Tournament Chairman  
President, Malaysia Ice Hockey Federation

Patrick Michael MacDonald  
General Manager, Organizing Committee
