30th June 2009

The WAIHA in conjunction with Melbourne Ice AIHL team, and with sponsorship from Del Basso Meat Products and Pappas Glass and promoted by Stan Scott, would like to announce that Perth will host a two game exhibition and promotional weekend in August this year, at the Cockburn Ice Arena.

The games will be played on Saturday 8th & Sunday 9th August at 4.30 pm, and will undoubtedly be well worth supporting.

The team to play against the Melbourne Ice will be a State Select All-star team, to be confirmed at a later date following tryouts.

This is great news for us in the West to attract an AIHL team of the calibre of Melbourne Ice to play two exhibition games. We expect two very fast and very skilful games of hockey at the highest level that we can produce. It should be an excellent weekend of hockey and a great showcase for spectators which is not to be missed.

Melbourne Ice President, Josh Puls, said "Our players can't wait to get to Perth to play against Team WA. They've done us a great honour by inviting us – we're looking forward to a weekend of fantastic hockey."

"Not only will we be sending our best players, we're also expecting a large contingent of Melbourne Ice's passionate supporters to come over and support the team", said Puls.

Tickets will be on sale from 6th July, and will be available from your Club Delegate, or from Stan Scott. Tickets will cost \$17 per game, or \$25 for both games, order fast as seats will be limited.

We know we can make this a great success and fill Cockburn Ice Arena so our friends from Melbourne can see the support we have here in the West.

Should any businesses be interested in placing an advertisement in our game program which in turn will support our state team, please contact Stan Scott at scottind@iinet.net.au or on 0408905699.
